Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior arts do not teach the diagram showing in fig. 3 where digital information data and screen data are displayed without overlap at outsides of a displaying region of said third digital RGB signals. The screen mixing unit 13 mixes the digital RGB signals (screen data) selected at the selector 12 with the digital information data so that the digital information data form the input 3 are displayed on regions outside a working region 41 where the digital RGB signals (screen data) are displayed or displaying said displaying data, being at an edge of said displaying means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
